

COMMITMENT TO MY CONSTITUENTS TO LIVE WITHIN OUR MEANS

Whereas the State of Minnesota is projected to have a significant budget deficit in the 2010 – 2011 biennium; and

Whereas Minnesota's per capita state and local tax collections have ranked amongst the top ten states in 13 of the last 15 years (according to Minnesota Taxpayers Association most recent records); and

Whereas the current economic downturn has placed a tremendous financial strain on Minnesota families and businesses; and

Whereas Minnesota families and businesses must live within their means and government should do the same;

Therefore, I do hereby commit to my constituents to balance the state's budget shortfall by advocating for reductions in government spending before supporting any tax increases on Minnesota citizens and businesses.
